ABOUT MIKE

Mike Michalowicz* is the entrepreneur behind three multi-million dollar companies and is the author of *Profit First*, *The Pumpkin Plan* and what *BusinessWeek* deemed the entrepreneur's cult classic, *The Toilet Paper Entrepreneur*.

Mike is a former small business columnist for *The Wall Street Journal* and the former business makeover specialist on *MSNBC*. Today Mike travels the world as entrepreneurial advocate speaking to groups just like ours. He is globally recognized as the guy who "challenges out dated business beliefs" and teaches us what to do about it.

It is my pleasure to introduce Mike Michalowicz.
